

2019-2020 PE and sport premium funding impact report

Please note that due to COVID-19 provision for swimming only took place for 2 terms

Swimming and water safety

Meeting the swimming and water safety national curriculum requirements	
What percentage of Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres?	100%
What percentage of Year 6 pupils can use a range of strokes effectively, for example, front crawl, backstroke and breaststroke?	100%
What percentage of Year 6 pupils can perform safe self-rescue in different water-based situations?	100%
Has the Primary PE and Sport Premium been used to provide additional provision for swimming activities over and above the national curriculum requirements?	Yes
All pupils from Reception to Yr 6 have received 12 weeks (2 half terms) of swimming lessons this year. Pupils are taught by qualified swimming teachers and school staff and lessons cover a wide range of skills. All pupils work towards achieving distance and lifesaving awards.	

Spending impact report for 2019-2020

Funding received	
Number of eligible pupils: 52	Total amount received: £16,410
Funding rate: £16,000 plus £10 per pupil	
Objectives	
<ol style="list-style-type: none"> 1. Engaging all pupils in regular physical activity 2. Raising the profile of PE and sport across the school as a tool for whole-school improvement 3. Increasing staff members' confidence, knowledge and skills in teaching PE and sport 4. Offering pupils a broader range of sports and activities 5. Increasing pupils' participation in competitive sport 	

Objective one: Engaging all pupils in regular physical activity			Percentage of total spending
			53%
Actions taken	Funding spent	Evidence and impact	Sustainability and suggested next steps
1 Weekly swimming lessons for 2 terms	£5559	Achievement of all pupils is above national curriculum requirements. The majority of pupils enjoy swimming lessons/activities and are keen to make progress towards awards and take part in additional swimming activities such as inter schools competitions. KS2 children have the opportunity to take part in Water Polo, synchronised swimming and snorkelling which extend their experiences of water based activities for the future. Several pupils extend their enjoyment of swimming by attending out of school clubs.	To continue to use PE grant to enable all children to access swimming lessons for 36 weeks of the school year.

2	2 hours of high quality PE per week using facilities at local school	£2890	Children have good skills in a wide range of sports and have improved knowledge of team games. Children have good stamina and are able to maintain physical activity for a prolonged period.	Continue with use of facilities at local school especially during winter term to ensure provision is maintained.
3	Playground equipment to encourage active play	£206	Children use a range of equipment at playtimes to encourage active play and team work.	Continue to update playtime equipment with new and interesting games/toys
Objective two: Raising the profile of PE and sport across the school as a tool for whole-school improvement				Percentage of total spending
				2%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Introduction of 5 a day fitness: this is a 5-minute daily workout used between English /Maths lessons to provide physical activity and improve emotional well being	£176.00	All children are now able to follow programmes confidently and enjoy the break from academic activity which provides them with time for relaxation and physical development	Continue with 5 a day throughout the school. Introduce a daily mile using school field.
2	Involvement in local dance platform	£100 fee	Creative dance has now become an important part of the PE curriculum at school. All children are really keen to be involved and perform at a high level.	Continue with strong tradition of creative dance with a performance element
Objective 3: Increasing staff members' confidence, knowledge and skills in teaching PE and sport				Percentage of total spending
				42%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps

1	Staff training to develop swimming programmes and improve confidence in requirements for a range of swimming activities	£300	All staff involved in the teaching of swimming are confident in how to teach the programmes for different age groups	Ensure training for any new staff
2	Use of coaches to work alongside staff for particular areas of PE curriculum in order to develop staff skills and confidence	£5904.00	All staff have improved their knowledge and confidence particularly in the area of teaching gymnastics.	Continue to use PE coaches where appropriate to provide staff training and development
3	Staff have attended inter school tournaments	£750.00	This helps staff to become more confident in leading and refereeing team games and helps them to be aware of the standards required for Primary sport	Continue to provide supply cover where necessary so that staff can attend sports tournaments/competitions.
Objective 4: Offering pupils a broader range of sports and activities				Percentage of total spending
				10%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	KS2 Canoe Day on Windermere	£1060.00	All children in KS2 developed their skills in paddling a canoe, working together as a team and gained confidence in the open water through team games and swimming opportunities.	To continue to offer a Canoe day or similar outdoor activity day for all children in KS2.
2	Outdoor Activity days at Borwick Hall for KS1	£354.00	All children learnt how to do electronic orienteering, took part in indoor caving and KS2 archery. All children were taught how to use a carabiner and then used this skill to manoeuvre around a ropes course.	Both Key stages to take part in a similar day of activities in 2020-2021
6	Clog/stick/maypole dancing	£200	This is an after school club which is organised for children in KS2. Children are introduced to traditional dance styles and learn more about their Cumbrian heritage. At the end of each half term they perform for parents.	The traditional dance clubs are offered annually as part of our after school clubs programme.

Objective 5: Increasing pupils' participation in competitive sport			Percentage of total spending	
			3%	
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Buying into the tournament package at Dallam School	£250	This enabled all children in KS1 and KS2 to be involved in competitive sport with other local schools : Hockey, Quicksticks, Orienteering, Cross country running, Key Steps gymnastics, Tag Rugby, Kwik Cricket, Rounders, Hi 5 Netball. These opportunities really helped children learn how to play as part of a team, it also improved their spatial awareness when playing sport and gave them the opportunity to watch and learn from other children.	Continue to buy the tournament package from Dallam School and also look at opportunities now on offer from QES
4	Key steps	£150 staff supply, £173 gymnastic equipment for competition	18 children took part in the Key Steps competition with the Yr 3 & 4 group going through to the county final and gaining silver. The improvement in the children's skills during their preparation time was outstanding and this has now set a tradition within the school for children being keen to take part.	Coaching to continue to enable all year groups to take part confidently
