

2020-2021 PE and sport premium funding impact report

Swimming and water safety

Meeting the swimming and water safety national curriculum requirements	
What percentage of Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres?	100%
What percentage of Year 6 pupils can use a range of strokes effectively, for example, front crawl, backstroke and breaststroke?	100%
What percentage of Year 6 pupils can perform safe self-rescue in different water-based situations?	100%
Has the Primary PE and Sport Premium been used to provide additional provision for swimming activities over and above the national curriculum requirements?	Yes
All pupils from Reception to Year 6 have received 12 weeks of swimming lessons this year. Pupils are taught by qualified swimming teachers and school staff and lessons cover a wide range of skills. All pupils work towards achieving distance and lifesaving awards.	

Spending impact report for 2020-2021

Funding received	
Number of eligible pupils: 52	Total amount received: <u>£16,451</u>
Funding rate: <u>£16,000 plus £10 per pupil</u>	
Objectives	
<ol style="list-style-type: none"> 1. Engaging all pupils in regular physical activity 2. Raising the profile of PE and sport across the school as a tool for whole-school improvement 3. Increasing staff members' confidence, knowledge and skills in teaching PE and sport 4. Offering pupils a broader range of sports and activities 5. Increasing pupils' participation in competitive sport 	

Objective one: Engaging all pupils in regular physical activity			Percentage of total spending
			59%
Actions taken	Funding spent	Evidence and impact	Sustainability and suggested next steps
1 Weekly swimming lessons for 1 term	£3307.72	Achievement of all pupils is above national curriculum requirements. The majority of pupils enjoy swimming lessons/activities and are keen to make progress towards awards and take part in additional swimming activities such as inter schools competitions. KS2 children have the opportunity to take part in Water Polo, synchronised swimming and snorkelling which extend their experiences of water based activities for the future. Several pupils extend their enjoyment of swimming by attending out of school clubs.	To continue to use PE grant to enable all children to access swimming lessons for 36 weeks of the school year.

2	2 hours of high quality PE per week using facilities at local school	£6340	Children have good skills in a wide range of sports and have improved knowledge of team games. Children have good stamina and are able to maintain physical activity for a prolonged period.	Continue with use of facilities at local school especially during winter term to ensure provision is maintained.
Objective two: Raising the profile of PE and sport across the school as a tool for whole-school improvement				Percentage of total spending
				1%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Embedding of 5 a day fitness: this is a 5-minute daily workout used between English /Maths lessons to provide physical activity and improve emotional well being	£176.00	All children are now able to follow programmes confidently and enjoy the break from academic activity which provides them with time for relaxation and physical development	Continue with 5 a day throughout the school. Introduce a daily mile using school field.
Objective 3: Increasing staff members' confidence, knowledge and skills in teaching PE and sport				Percentage of total spending
				5%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Training by Woodmatters to develop outdoor learning skills and progression of teaching.	£758	All children are now taught by staff who are able to develop outdoor learning and provide a differentiated curriculum through age and skill.	Continue to use and develop skills of staff.
2				
Objective 4: Offering pupils a broader range of sports and activities				Percentage of total spending
				5%

Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Opportunity to all experience outdoor adventure in a different environment.	£875.28	All children are able to challenge themselves in different ways they would not necessarily do in their everyday lives.	Continue to use the skills developed in lessons on the school site as well as beyond.
Objective 5: Increasing pupils' participation in competitive sport				Percentage of total spending
				0%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	No sports competitions happened this year due to restrictions.			
4
