Comic Relief

Thank you very much for the support last Friday with Comic Relief we have raised £140!

Larksfoot work with School Council.

This week the children in the school council worked with Heather and Emily from Larksfoot, Leighton Hall. The children thought about all the different ways we could improve the school and our own personal carbon footprint by developing more sustainable ways and habitats. The children thought of some wonderful ideas – some simple and some more complex which they will be sharing with the rest of the school soon.

Pupil Parliament.

Pupil Parliament is an opportunity for children in Years 5 and 6 to discuss global matters with their peers from other local schools. This week four children from Beetham went to discuss the issue of single use plastic as well as listen to the developments of other schools on their sustainable journey. A thought-provoking day with much to discuss with the rest of the school.

Image Musical Theatre

On Wednesday we had the pleasure of welcoming Image Musical Theatre to our school. The juniors took part in the rehearsals – with some getting speaking roles in the performance and the rest joining the singing chorus. After the rehearsal the infants joined the juniors in the Heron theatre for the performance of 'The Sword in the Stone'. It was a true delight to see all the children involved in and enjoying the performance.

Hatching chicks

The school has been buzzing this week with news of hatchlings. Key Stage 1 began to watch a live stream to an incubator set up in Lancaster University Nursery but word soon spread and before we knew it the whole school were keen to see the hatching of the eight chicks. A great opportunity for the children to see life cycles in action as well as think about the signs of new life at spring.

Heron Corn Mill.

Key Stage 2 have been learning about our local history and the Heron Corn Mill. The children went to find out more this week with a site visit where they were taken on a tour of the mill and got to make flour.

Nursery Open Day.

We are holding two nursery open days next week for parents of children under 4. If you know of anyone who may be interested in coming and having a look at our nursery provision please pass the information on to them. The Open Days are Tuesday 29th and Wednesday 30th March from 2pm to 3pm.

Jubilee Celebrations.

Part of our Jubilee celebrations is for each child to make a souvenir plate for the event. Key Stage 1 welcomed Mr and Mrs Milner this week to make mod roc plates ready to decorate for the event. They will be visiting again over the next few weeks to make plates with the rest of the school – we are very grateful for their help and time.

Brewery Dance Platform KS2:

Please could all KS2 taking part in the Brewery Dance Platform bring to school their own named hairbrush, bobbles (not scrunchies) ideally in a colour matched to hair colour or purple/black.

Easter Egg Hunt

We will be holding an Easter Egg hunt after our church service on Friday. (The service will begin at 2.30pm) We are still low on eggs for the children to find. If you are able to donate any eggs for the occasion then please drop them into the office before Friday next week.

Mothering Sunday Posies.

All children in school made Mothering Sunday posies with members of the church congregation today. We are very thankful for their time and support in helping the children make these wonderful gifts.

Grounds Days.

We will be holding two grounds days at the end of the Easter holidays. We would like to tidy up the field and the rear garden to ensure they are safe as well as appealing for the children to play in.

If you are able to donate time and/or resources then please come along they will be on Friday 15th April and Saturday 16th April from 10am.
