Brewery Dance Performance:

On Tuesday the children in Key Stage 2 went to the Brewery Arts Centre to perform their amazing dance. The hours of rehearsals, in their PE lessons and before and at the end of the school day really paid off. They were absolutely amazing a true credit to the school! Thanks go to Mrs Klijn and Mrs Bradshaw for their time in rehearsals, preparing costumes and supervising on the night. Thanks also go to Lucy Everett for choreographing the routine and all the other Key Stage 2 staff who have helped squeeze in quick rehearsal whenever possible.

A wonderful experience with such proud parents in the audience – well done!

House Points Reward Afternoon:

Yesterday the whole school received their house point reward. The winning team selected activities of play at the field, technology, board games and Lego. This term the whole school received over 3000 house points with the winning team receiving 1100.

Children can earn house points by going above and beyond in areas such as behaviour, manners and attitude as well as for hard work, effort and perseverance within school. Completing homework each week also earns house points.

The challenge for next term is to beat 3000 house points!

Teaching training in EYFS:

We are pleased to welcome Mrs Lowe to our EYFS team. Mrs Lowe is completing her final teaching practice with us and will be working with EYFS over the next nine weeks.

Ruskin Art Project:

KS2 welcomed Harriet from Lancaster University on Wednesday morning. We all learnt lots about the artist and writer, John Ruskin. The children were given the opportunity to work with natural materials, do observational drawings and create a fossil out of clay. We all enjoyed the session very much.
