Predicted Heat Wave

As you are aware there is predicted to be a heat wave next week. Please can you ensure that children are dressed appropriately and have sun cream on. Children also must have a hat and water bottle in school.

We will ensure that children are taking regular drinks breaks and refilling water bottles when empty. Depending on the temperature of the building during it may be that we work outside more or if the building remains cool then we will be staying indoors.

Children in KS2 who are canoeing need to ensure that they take an extra water bottle with them on Tuesday and have a hat. They should also ensure they have sun cream on and with them to reapply throughout the day.

Whether your child is in school or on a trip we will ensure that we keep them out of the sun as much as we can and adapt activities appropriately.

Last Day of Term

Our last day of term is Wednesday 20th July. We will be holding our Leavers' service at church at 1.15pm, where our Year 6 children will be sharing their memories of their time at our school.

Please can all children come in school uniform for this service. If the Year 6s would like to bring their hoodies to be able to change into then they are more than welcome. Year 6 children can also bring a pen and a different t-shirt or jumper if they would like to have these signed after the service.

This service will be celebrating the time that the Year 6 children have spent at our school and is open to members of their family however if other members of our school community would like to attend the service you are more than welcome to.
